

# STRATA

## COMMERCIAL

Featuring  ISOCORE Technology®

**(A) Enhanced Ceramic Bead Overlay treated with Ultra-Fresh™**  
Microscopic ceramic particle suspended in a UV cured urethane coating for superior wear & stain resistance and easy care & maintenance. Ultra-Fresh treatment inhibits the growth of odour and stain causing mould and mildew.

**(B) Clear Vinyl Wear Layer – 0.55mm**  
Transparent vinyl wear layer provides significant durability against scuffs and abrasions in commercial applications.

**(C) ISOCORE Technology™ – 5.0mm**  
A highly-engineered, structural, grey core made from extruded, closed-cell vinyl, ISOCORE Technology™ is 100% waterproof, rigid, light, strong, and dimensionally stable.

**(D) Easy Drop & Lock Installation**  
Innovative DropLock 100 installation system makes Strata fast and easy to install.

**(E) High-Resolution Printed Decorative Film**  
High resolution printed film delivers the beauty and realism of natural wood with vivid clarity.

**(F) Solid Vinyl Top Layer – 2.0mm**  
Multiple layers of solid virgin vinyl enhances durability, provides resistance against dents & chips, facilitates authentic embossing and improved comfort under foot.

**(G) Attached Acoustical Underlayment – 1.5mm**  
Sound mitigating underlay attached to the Strata Commercial boards making installation and aftercare so simple.

 **WOODLAND LIFESTYLE**
